STUDENT INFORMATION AND CODE OF CONDUCT 2026-2027

Attendance

Regular school attendance and established routines are important for students to build knowledge, skills and confidence. Attendance in class is an essential component for staff as they collect a body of evidence to assess students.

Our attendance auto-dialer will contact you daily if your student misses a class without a valid reason. It will also call you if your student is late for a class. If you are concerned that your student has been missing school and you have not been getting an automated phone call, please reach out to our office staff at 519-653-2367 and we can ensure that the first phone number for the first contact is set up properly.

Please make sure to always call in and validate your student's absences when you are aware that they are away. We will be following up with students who have lates and unexplained absences with conversations and consequences, as necessary.

Reporting a Student Absence

Students who are not feeling well, have appointments or who will be on vacation for less than 5 days can have their absence validated by a guardian in one of three ways. Please use one of the following options to communicate the student's first and last name, the date(s) of the absence, the reason for absence and the name of the person validating.

Call 519-653-2367, Press 1. Voicemail is available 24/7.

Email phs-attendance@wrdsb.ca

Send in a note with the student to be **shown to the office** upon return to school.

Late Arrivals

Students are expected to be in class before the bell rings. Any student arriving after the bell rings is considered "late" for class. Students arriving late will proceed directly to their classroom to sign-in with their teacher. The late arrival will be recorded by the teacher.

If a teacher has concerns about the nature or frequency of a student's late arrival to class, parents will be contacted by the teacher and the student's Vice Principal will be informed..

Be Respectful to Others

All members of the school community are expected to comply with the [WRDSB Code of Conduct](#) (Board Policy 6001).

Be a Good Neighbour

Our school is located in a community. It is expected that all PHS students will behave respectfully to all of our neighbours.

Behaviour on Social Media

Any online behaviour that impacts members of the school community is subject to the PHS and [WRDSB Code of Conduct](#).

The use of the Preston High School name and logos can only be used in school-approved social media accounts. Using the school name and logo without permission violates copyright laws and intellectual property rights. Users of unauthorized accounts will be subject to school consequences.

Positive Student Behaviour and Bullying

It is expected that all interactions between all members of the school community are positive in nature, which precludes the use of inappropriate, hurtful, threatening or demeaning language, comments, and actions.

Inappropriate comments and actions will be addressed by a staff member and consequences will be progressive in nature, potentially resulting in suspension from school.

"Bullying is typically a form of repeated, persistent, and aggressive behaviour directed at an individual or individuals that is intended to cause (or should be known to cause) fear and distress and/or harm to another person's body, feelings, self-esteem or reputation. Bullying occurs in a context where there is a real or perceived power imbalance." (PPM 144)

Bullying can take many forms: physical (hitting, pushing, tripping), verbal (name calling, mocking, making sexist, racist or homophobic comments), social (excluding others from a group, spreading gossip or rumours), or it can occur through the use of technology (spreading rumours, images or hurtful comments through the use of e-mail, cell phones, text message, Internet websites or other technology).

Bullying using technology is often referred to as cyberbullying.

Bullying will not be accepted on school property, at school-related activities, on school buses, or in any other circumstances where engaging in bullying will have a negative impact on the school climate. Students who engage in bullying behaviour can expect for their behaviour to be addressed by an administrator, have school consequences and may include police involvement.

Respect and Responsibility

Staff and students are collectively responsible for ensuring a safe and productive learning environment.

- Show respect for yourself and to all staff members of the school community. This includes identifying yourself to any staff member upon request.
- Take responsibility for your own actions.
- Follow all school expectations as outlined here, on the school website and as provided to you by your teachers and administrators.

Student Well-Being

School staff are available to support all students' mental health and well-being. Students are encouraged to talk to any adult if they are in need of support.

For more information, please see the PHS website or contact your student's guidance counselor.

Students are encouraged to walk to school when possible. If students are being dropped off at school, please avoid the parking lot and the childcare centre across the street.

Students who drive to school must register their vehicle. The vehicle registration form can be accessed on the PHS website. Students park in the back parking lot. Students are expected to enter and exit the parking lot slowly and safely. Students driving in an unsafe manner on school property will be subject to school consequences.

Visitors to the School

All visitors must sign in at the main office.

Leaving School During the School Day

Appointments should be scheduled outside of the school day whenever possible. If a student must leave the school during the day, a parent or guardian must call or email the main office ahead of time, and the student will sign-out in the main office. The student must wait in the main office until they are picked up or leave the premises immediately. Students cannot be signed out to go study in the library or cafeteria.

Dress Code

Preston High School recognizes that students have the right to express themselves and dress comfortably without fear of discrimination. Contributing to a positive learning environment should be your top priority in choosing what to wear. Please review the [WRDSB Student Dress Policy](#) for more information.

Smoking and Vaping

No smoking or vaping (use of e-cigarettes) in the school building or on school property is allowed at any time. If students are smoking or vaping, they must do so outside and well off school property as all other incidents are infractions of the [Smoke Free Ontario Act](#). Failure to adhere to this rule will result in a school suspension and may result in a fine issued by the Waterloo Region By-Law Office.

Plan of Care for Medical Conditions

Many students have life-threatening allergies to foods, scents, or other substances. We are a scent-aware and nut-aware site, and do not permit the use of latex gloves or balloons at school. Students who use EpiPens must carry one with them at all times. Parents and guardians should ensure that a Plan of Care form is completed for students with serious medical conditions, such as asthma, diabetes or epilepsy, to ensure their child's safety at school.

Hallways and Stairwells

All hallways and stairways must be kept clear during classes. The library and cafeteria are available for student use during the school day (during a student's spare).

Personal Belongings and Lockers

Lockers will be available for student use at the request of students. Students select a locker and must register it using the Locker Registration portal. This portal can be accessed from the [PHS website](#). Students should leave valuable items at home. Gym change rooms are not secure and no valuable items should ever be left in change rooms. All students who take a physical education course will be given a specific locker for use during gym class. The school is not responsible for any lost or stolen items.

Missed Work, Tests, and Presentations

Guidance Appointments

Any academic concerns should be discussed with a guidance counsellor by signing up for an appointment. Students should access the [PHS website](#) to book an appointment.

Full-Time and Part Time Status

Students who have successfully earned 16 credits, may opt (with parental permission) to take three credits in a semester and have a “spare” period. Students are required to either leave school or stay in the library or cafeteria during their spare.

Part-time status (enrolment in two or fewer courses per semester) is available only to students who are 18 years of age or older and/or have already earned their Ontario Secondary School Diploma. Students who provide a medical note recommending a part-time schedule will also be eligible for part-time status. All part time requests must be approved by an Administrator.
